#640906 (1)

1/4 Corner 8-9 Rock 106-14.
12-1895 Rt Fraser P 539 No 500 S 9 Corn pleth Stoppel.
found stake between 2 corner posts described by Hunter as orig corner.
- east drone ~~stake~~ stake on 1/4 line at 17.50 ch (1155.6' east of W 1/4 9 - 16 east in river N & L 20.01.

4-1900 Robt Fraser P 664 No 590½ NE 1/4 8 8 C Stoppel.
found stake between corner posts P 539 & Hunter.
- north, meas to Center road. 14.60 chs.
- ~~meas~~ north (Hunters overall meas) 39.55

Copy of F.H. (read again on Survey No 590½)

12-1975 ¼ line extended from the east and ¼ line extended from the west did not agree by 1.01 at Corner location. Will set corner at Will Fraser's full measure from Center 9 and at average of ¼ lines. Corner corner in cultivated field. Dug 4'x8'x3' deep but found nothing. This location fits Robert Fraser location to Center 9 by .5'.

1/16W - 12-17-1975 - Dug 3'x3' - found nothing. Set 1½" x24" pipe as corner 2.5' W. of fence on E side of N-S road. Corner on line from W ¼ Cor Sec 8 to E ¼ Cor Sec 8 (computed location) and midway between Center 8 to E ¼ Cor 8

3-12-1979 (1979 Remon. Book Page 3-4, 6-7, 10)
temp. trail

We set up the point set in 1975 as the corner location in 1975. We dug from a point 4' West of the corner West for 7' by 4' North-South and over 3' deep but did not find anything. Took R.P. to corner: Nail in top of wood post E.N.E. 169.55. The corner is about 1' South and 169 West of said post. We were digging to check a measure of 39.90 chs from the Center 8 in Old Field Book 7 Page 1. and a measure of 17.50 chs. from a property fence East of the corner, a corner set by Hinkle in 1857 and W. Fraser in 1893. Roger also dug from the pipe at the 1/16th West, West 5 ~~of 1/4 Cor 8 9~~ to

(cont.) corn midway of 1/4 Cor 8-9 were to move West.

3-14-1979 We dug again at the 1/16th West as follows:

to check a Hunter measure from the mark Center 8 (20.04) found in Book 4 P.99. We found a round mark in clay that was either a stake hole or post hole about 2.8 East and slightly South of the pipe. We found a 1/2" iron pipe 10 1/2' South and 1 1/2' East set by Matthis in We found nothing further. Hunters full measure would have come 2.91 East of the pipe.

¼ Corner 8-9 Rochester 106-14(3)
#640906

3-16-1979 (1979 Remon. Book Page 10) At ¼ Cor 8-9 we dug from a point 2½' East of the 1" iron pipe set 3-12-79 East for 6½', North for 3' and South for 2'+ by 3' deep. Found nothing. We were digging to check Hunter's measure from the Center 8 of 40.08 chs. in Old Field Book 4 Page 99.
