/ 10-21-68 set CIM over 1" x 30" conduit & glass-witch ① #641905

section corner west 19-30 Rochester 106-14

east 24-25 Salem 106-15

5-1872 Hunter P200 no 204 S24 W McCullough.

found stone in center road as section corner.

6-1889 Thos Fraser P433 no 420 S 19. Clark Fitzpatrick like

found stone and stake set by Hunter on and 2 rods east of fence running west, set boulder 10 x 16 x 22 in place of Hunter's stone.

- Meas east 38.56 3/4 to S 1/4 19 a 10 x 16 x 16 boulder set with RP. 1" Woak. N18½W 78½ lks

Mile short 27 lks.

(over)

10-17&21-1968 J Kerr dug with tractor 10-17 on line fence west & 2 rods east came near E road, found triangular boulder 8" Δ about 18" long hard but came up near soil super wet very sticky stone too high up & wrong size - no disc on tele pole NE someone evidently had found and accepted same. - run town line over 4 CIMS north of corner - this line some 3.5' east of 2 rods. found ½ cor east set 1889 on line - run line over it from SE 19.

10-21 dug again with tractor hit a truckload giant limestone in road bed some deep very sticky & wet gave up corner no luck set CIM at intersection town line & line from east 1"x30" conduit below.

- ⅜" small headed spike on NW side corner post W 36.6
- old disc on SE side tele pole. NE 45.6
- disc on power pole #7850 - brass attached. SSE 161.85'
- corner lies slightly north fence west -
  " " center road east
  2 or 3' east " " north & south.
