(over)

5-1965 J Kerr dug for corner after letting frost earlier in season. found nothing dug on line fences E-W & L. no north fence.
- after finding W 1/4 2 ran east to 1/16 fence north, found likely stone at 1310 - record 1311.1
- set C/M on line fence south just south of E-W fence which seemed to line per 1/16 west & W 1/4 corner. line E on post.
(note - would consider looking 6' or 7' west for stone & stake believe Nothing & southing OK. - meas east not nearly as long as recorded adding to belief true corner lies west.)
- Paul Hemp SE corner 1/2" rod by steel post a large black corner post 1006.92 east of C/M as set. under fence.
- 6-10-1970 Co auto dug 4' wide up to 8' west of C/M over 3' dep probed 4' dep below & all sides found rotted slightest board or stone staples dep.
- 6-11 run line N 1/4 2 over C/M at center south to S 1/4 corner area fence with exact line indicating the way. center set in 1965 - set temp rod at S 1/4 2
