11-10-70 small 3/8" rod in place of nail & lath found, proven near OK.

#651805 (1) 2

section corner west 18-19 Salem 106-15
each 13-24 Cassasteo 106-16 D Co.

10-1884 Hunter P 393-4 S 6-7-18 Nelson Bab et al.
found stone center road. claimed by A Severts set by himself and others in orig mound. used corner in survey establishing corners on secs 6-7.

11-1903 Carmstrong P68B S19 Y Anaby, Fred Leon.
Corner marked on plat as stone a corner stated as found but not used a sandstone (4 x 2" above ground) quote sounds fishy

Card # 2 W 18-19

Comp. mean from S 1/4 18 to W 18-19 2612.1
N 1/2 NW 1/4 18 2578.1 record N 1/2 SW 1/4 18 2595.1 both W Fracs
both straight lines on east & west line, making
2612.1 the mean projected measure.
- Meas. line (tall corn) about 2613.5 to hub.
- poor line condition & sloping terrain could compensate for
1.4' making hub very near E & W
- C/M could be set at hub and be very close

11-10-70 after running line from C/M at E 1/4 18 over point at 1/16 east of W 1/4 18 at double mean on 1/16 line N. see W 1/4 18 decided to accept hub as true corner until otherwise proven incorrect - 3/8" rod in place as corner

OVER

Meas now north to W 1/4 18 2631.8 R.WF 2630.8
