1/4 CORNER 13-14 Quincy 107-11
9/10/92 County Surveyor Set Conc over ½" rod
GOV NOTES 1853 Wm A JONES M & L

SET 1/4 SECTION CORNER POST M & L 40 LKS 2640' #7115006

[redacted]

CORNER IN N-S TWSP ROAD
COMMON LAND EAST
FARM BOUNDARY LINE WEST, 80 RODS THEN COMMON
CORNER IN high FAIRLY LEVEL PLAINS AREA.

8-26-77 Dug from nail set in ℄ rd and at 2642' from North Sot and N34' to an E-W culvert buried in the road. Dug mainly in the center of the road and almost the entire surface of the road when N of transit nail. Local resident says there used to be a fence West on the So side of the field three West. This would

put fence near traverse point.

6/23/1885 Thomas Hunter (book 14, page 44) surveyed in section 19 for John Duscheck found stake in center of road, no measure

9/10/92 County Surveyor set (1M) over 1/2 rod in roadway & on the Section corners N, S, (RP) (190th Ave NE)

Corner falls 1 ft N of fence line and 38' north of ℄ of field drive west
