4-2-1973 believe all above notes not quite correct. did find 1¼" pipe down 4" but no reference only disc in corner fence post. due north on top of long slope cut. 80.0 N. slope meas. 3' plumb down to old rusty disc. not sure there ever was such a reference mentioned

51.0 westerly to center black top running N-S.

45.37 S E ly to nail in corner post of fence E & S.

125.63 N W ly to nail on S side pond pole # 39342 west of B top.
