Sec 1
Survey

6-29-73 found 4" □ limestone as 1/16 corner. east of
2.3.10.11 set by Thos Fraser 10-1889. at rear record
- proj line east over 2 stones and set nail at 1/4 2-11
at approx 2629.5±, Const line & meas east 2628.62
or 5258.1 R 52630
dug massive hole and found stone in north wall.
with old spade on West side and massive stone
on top of all. 3.23 east and 4.35 north

Card no 2.

Card # 2. 1-2-11-12. Quincy 107-11. (1)
#720105

Meas of mile now about. 5261.2 R 5263.0

this would move 1/16 stone about 1.1 North and near E-W as is
1/4 2-N would have to be run in or checked in from south.
if 1/16 and center 11. are still in place. set 1/2" riser & glass

36.8 SW to Cross in W Idw. & open span over
N end of iron beam inset in top

30.64 5' S & E to center head of RR spike N side 16" pine

82.75 SSE to center head of RR spike W side 22" pine

85.85 NNW to conc nail & 3/4 staple on 4th wire below
PP plate # 3315½

Gov't Notes → over

7-6-73 Meas elect north. final. Thos Fraser R
to 1/4 1-2 found in dup cut. 2635.88 R 2636.37
then on to N 1-2. set 2658.59 R 2659.64.
Robt Fraser reset 1/4 1-2 from B.T. as nearly as possible
and had 2639.34 but explained difficulty in reselling
stone for exact northing and southing.

Govt Notes - William A. Jones Oct. 1853
80.00 set post corner to 1, 2, 11 & 12 in Mound
of earth & sod. Deposited charcoal, made
trench or pits, planted Osage Orange
seed N.W. - S.E. of trench.
