5-18-1964. set C/M over iron rod. #722009

1/4 corner Center 20 Viola 107-12.

5-1886 Hunter P409 No 398 S 20 Fred Hitto.

set temp stake at miters lines. did not set perm. corner to spite those who it would benefit as ~~they~~ would not pay.

-1/16 west set temp stake 20.04 1/4 M & L for lines S 89°35'E

-1/16 east " " " 19.97 1/2 M & L for line W Due north.

6-1903 Armstrong P60B S 20 A Neuman, John Daly.

set 3x12x14 limestone miters lines, this comes in line fences E-W but 8 1/2' east of fence running north.

1/16 south set stone 3x12x14 M & L 19.88 then

- set stone 3x4x10 as 1/4 cor on line 9.94 south above 1/16 cor.

over)

5-18-1964 J Kerr B 88 P19.
used corner in survey, found after meas from east and noting distance recorded east of North fence.
set C/N over rod below surface.
corner lines good fence running west
corner lies 6.0' east of fence running north.
no fence south - very poor fence east

Kerr book 88 p.19 Says found limestone @ Cor. 20 6' E. of steel Cor. fence post.
