Earth and Soil deposited Charcoal
Mark trench and pits planted Osage
Orange sprouts East + West of trench
6/16/88 SET 5' TELSPAR PIPE/CIC OVER STAKE FD.

June 1882 Thomas Hunter Sec 34, Bierbaum & Gates
Page 378 No. 369 and also old Field Book # 5
Found original 1/4 post standing in mound - but pits
obliterated

1/16th North Found Stone planted with stake by its side.
Set by some surveyor as a 1/16 Sec. Cor. This section
having been at sometime Subdivided. Those adjoining
and interested in the corner were satisfied with (over)

the corner thus found without measurements or tests. So we assumed it to be correct and used it as such.

1/4 COR. 34-35 VIOLA 6/16/88 DUG AND FOUND VERTICAL LIMESTONE 3'X15"X12" WITH 2 LIMESTONES LYING FLAT ON NORTH & SOUTH SIDE, FD STAKE 8" LONG & 6" INTO CLAY below STONE & N.E.
