set corner inters lines.

Field Book — 1/16 Sec. set stake. M.T.L.

corner drove stake and put stones about stake.

- found under each - west - fence. after pushing 1/4 line from estimated S 1/4 23 parallel to 1/16 corner north at an offset west. found corner easily. 9-1968 J Kerr. after finding center set C/M. over iron & placed several stones about C/M.

- bottle cap in real tall post (S side) W 39.6.

-over-1

To relocate 1/4 23-24 hopefully last
run direct aerial line from W 1/4 23 over Center 23
at 30' offset north. set point under 1/16 fence running
North East of Center 23.
drove nail in corner post south. on E side at
corner of fence west. this came 28.87 S of 30' (S)
corn crops heavy on N & S sides so stopped line there.
