1 6-6-1972 set CIM over 1¼ x 30" pipe & stone found (1)
4-3-1975 set 10" CIM over CIM in place & stone found
¼ Corner T-18 up to surface Blacktop Cascade 10T-14
#740704

5-1876 Hunter P295 no 290 L7 5 parties
found stone set by Perry in survey L18 unrecorded.
having been set on line. Noted say midway between
E & W meaning L line L7 but this would be impossible.
and illegal bar Govt notes call for. 18.10 - 20 - 20 - 20
actually meas much shorter as proven north of line
-16 east stone (unrecorded survey) set by Perry - did not
dig as road fill rather deep. Set temp point midway
to line north 19.88½. (1312.4' M & L.

7-1890 Thos Fraser P445 no 430 L18-19 Foster Fredley
found stone 4 x 11 x 24 set by Perry.
Set ¼ stones East & West Perry Survey

-OVER)

stone in line fence north and 2 rods from cor post

present day terrain - very favorable passable two. road slightly higher than adjacent fields, good fence north & south in line each other, road level east, slight slope to west from corner.

11-16-71 Co surv. ran line on. 18.35' offset west at center 7 stone found and 1/16 stone found north of center 7 and cent line each. - found recorded 1/16 L stone. 2 x 6 x 20 at. 1322.0 R. 1322.31 leaning a little east as it was about 2' west of fence in head land. and stone comes about .7' ± east of line run (did not go back to check exactly).
- set nail at 2644.0. and line of center & 1/16 north corrected to true line nail came. 2' W of fence N. in near center road as traveled.
29.95 to bolt head on W side 2½" angle post.
76.7 ENE to 1209 on SSE side SEly of 24" twin Cw trees up 4' see card 2

Card # 2. 1/4 T-18 Cascade 107-14 #740704 (2)

11-16-71 Cont.

R 8 Te 1/10 stone north - set 10" piece of No 6 copper wire deep on east side of stone - top stone down 12" ±.

50.55 2' E of N Te cornered in knot on W side.

large cedar post (old power pole piece).

dug for corner at nail. or reset at nail & maybe E

6-6-72. dug in center road and cross bones of fence N & S. found piece of limestone in clean ground without doubt of it being the true corner down 4' deep about .8' east of apparent line of center and 1/10 north of center. set C/M with 1 1/4" x 30" pipe driven where stone set.

over

1/16 stone north of center very pasture in solid undisturbed soil while Points 7 and 8 south in soft moist fencerow and could have shifted some. as stones found almost on exact N-S nail from north. prone both stone OK for N-S but could have shifted E or W. a compromise could have been to placed Center, 1/16 south and 2 1/4 F so all lined with 1/16 north. Center now must shift back and 1/16 south is little west. both post tenths.

15.97 ENE To 120 D on S side huge Cottonwood

30.0 N to bolt head in brace of heavy Angle steel Corner post.

Corner post east of edge line of fence No.

4-75 Dug in blacktop twp. road and set a new 12" monument over monument set in 1972. Took no additional R.P.'s
