1 6-26-72 set C/M. (notching below) on line & double distance from. 4-5-8-9 over 1/10 stone south. (1)

#740906

1/4 corner 8-9 Cascade. 107-14.

4-1870 R Berry P108 no 147 & 9 & 10 M Clark.

"31" found ~~Cor~~ post as corner by "statements" & oldest settlers. (See quote over)

"23" 16 North set stone M & L. 19.86 (1310.76'

---

small steel rod driven between 2 corner posts at fence corner complex accepted as corner at least until something else proven better. No knowledge of measure or line north. Corner used as line east and measure only on east portion of line (over)

suggest produce line from C/M north toward south, line quite clear, search for 1/16 stone and double line and attempt to find 1870 stone.

At "37" found fence post claimed by Mr. C Babcock to stand in original place where old post stood ~~he~~, he having assisted in setting said fence post when mound and pits were plain and when old post was standing. I marked said fence post "1/4 S" on E & W sides.

5-10-72. Co surv. Meas south from C/M. RPS on W side fence.
- set nail in feld & lath in woven fence at 1310.0 R1310.76
- found woven wire fence running west from long new corner post at 1/4 8-9. at 2615.0 - ribbon on fence. probed some at both stations.
5-11-72. dug and found 1/16 stone at 2'+ west of fence, and 2'+ north of 1310 ±. will run appt direct line accurately.

Card # 2. 1/4 8-9 Cascade. 10 7-14. #740906 (2)

6-26-72. set 8"x8"x15" County constructed monument salvaged at 1/4 20-21 Salem. over 1/16 stone found 5-11-72. - ran direct aerial on 10' offset west to area of 1/4 8-9. Meas line with electronic on computed angle direct to Bll 3 points - Meas both 1/2 1305.02. R 1310.76 placed C/M after digging area to clay. doubling meas and on direct projected line.

Corner came 1'± S of woven wire fence running west and 4'± W of corner post complex of fence 4 ways. - set 1¼"x4' square iron hollow tube (formerly #2-11-12. Kalmar before C/M). ap 2.2' .5' west of C/M. tin cans below.

✓Gov't Meets Mt. Knick 1954
40.00 Set 1/4 section post in mound w. 4 bronch. pits, chained stake, & Orange Seals W. E. & S. ea.

~~1984 M.C.S. (C.I.M. Was dug out and lying on top of ground.~~ Wrong corner should be 1/4 9-10 cascade (This after 2-24-84)

2-24-84, 1/4 Cor. 8-9: Found CIM down 1', 4' West and 1' South of c.p. to fences E-W-N as described. Set survey marker sign and post 1.1 North
