10-4-68 set C/M over 3' rod driven down thru old rock (1)
#751304

1/4 corner 13-24 Kulmar 107-15

no records of any sort only fences of occupation which are really out of all reason. (see back attached card)

8-1967 D Kerr. meas line close to fence accurately west half, clear and smooth. set 120 D just north of old corner past of fences well established north and south. at 2602.0.

- rest of line east sloughy & drainage ditches so transit offset 80' north in hay meadow for accurate chainage.

(over)

Chainage of east half 2644.5 or total mile 5246.9.

No 1/16 fences only on east half running south which commenced some 400 feet or more from north line due to slough. This fence very close to 1320' from east township line.

summary. West line straight
