10-1964 J Kerr corner job - found boulder type limestone 4x10x18 south side corner post
set C/M one 1½" x10" pipe with stone on W side below
(mon)

Corner lies 1.5 west fence running north
0.5 south " " E & W.

7-7-1972. replaced broken C/M at W 18-19. 107-15.
Meas east roughly without line, woods, wet, hot, brush
searched quite thoroughly at fence line north & east at 1/16 corner.
(E line Papa Wharton's land in Sec 18) found nothing but land had and
cross lines made N-S hard to determine. did not record actual
meas only that fences within ± 2'
