8-7-1964 set C/M over 3/8 x 14" rod. removed 8 Jan
11-27-1973 reset C/M on per wood stake found (7.1 No. of former Locn)
1/4 corner 26-27 Kalmar 107-15 #752606

5-1872 Hunter P 204 No 212. S 26 Hogans, Duffys found stake shown by John Duffy as corner. however this stake was a new stake and meas from center To Duffys stake 40.05 while direct line N & S corner. 39.72 (2621.52 a very doubtful corner) however set 1/16 east at 20.02 1/2. not believing it to be correct set no other corner at W 1/4 26. 2643.3 = 40.05

5-1885 Hunter P 396 No 386 S 26 A Graham etal Duffys stake gone, and as doubts surrounded its correctness and Perry Page 128 called it a last corner and set small stake at 39.80 N & S. proceed to reset corner. (over)

set stone M & L which came in line of fence east
and 39.80 26268 M & L as did Perry corner.
– 1/16 east reset this corner a large boulder M & L 19.93 1/2 [1315.7

6-1901 Robt Fraser P 699 No 618 Lece E 1/2 26 and W 1/2 26.
found limestone on north side for Jones & Larson
of fence corner.
1/16 east found boulder stone P 395 dug 10-30-73 "O" = did not find
1/16 west found stake M & L 19.89 3/4 Mr Larson will set stone

8-1967 J Kerr pushed line & meas from center over 1/16 boulder
dug extensively, found old post stub, well rotted exactly on
line & double distance, nothing else in sight much deep digging
set C/M. over 1/4" rod at 1314. West of 1/16 corner. Comes
under fence south and 4.5' south E-W fences. no N fence.

1/4 post missing but by digging near where
Mr. John Duffin affirmed it used to stand, when
stake and mound were all plain, we found a
stake about 1 1/2 feet long with no marks, sawed
off at top and from its state of preservation had
evidently been set but a year or so at most.
Found distance from center at 5 to straight line
from C to E 39.72 chs. 2621.52 and distance
from center at 5 to stake found 40.05' (2643.3
agreeing closely with meas from B to C 39.67 (2618.22
- but as Mr Duffin would testify under oath about stake.
used as found and set 1/16 stake E M & L 20.02 1/2 (1321.65

5-2-1885 Hunter P 396 No 386 L 26. J Graham (et al.
Stake as described as D in survey P 204 this book missing
and no remains of it to be found and as I had serious doubts
of John Duffins statements of where the original corner
stood, the freshness of the stake found as well as the
doubts and misgivings of the adjoining owners his
neighbors at the time of previous survey P 204.
and further I find that Co surveyor Mr. R J Perry in
survey No 160 this book treated this as a lost corner
and ran line from C to E setting small stake. We
therefor ran straight line C to E and set stone for
corner at D on said line and on line of old fence running
east which was set in Perrys survey and Equidistant
between C and E which according to Perrys Meas. No 160
survey is 39.80 (2626.8 M & L. - 16 E set boulder
M & L. 1993.2 1515.71
Stone found at E (found 5-1968) Stake by Post at C. Cor. P.

Card # 3. ¼ 26-27. Kalmar 107-15. #752606 (3)

10-30-73. dug and probed (perfect for both) from C/M fully 8' north, field runoff delta north & fence 2' deep. enormous stone below ground N W & post. found very good well rotted stake 7.4' due north of C/M. Could have been something at one time. put 2" boxelder limb stake to surface to hold location No other stones, even small, in area. left as found.

- also walked to ⅛ area west (from north) claimed stone was to be set by a Mr Larson entire area except right by turn corner posts mass of hauled in huge boulders some field fill. Corner very old & deep.
