#832406 (1)

1/4 corner 23-24 Farm 108-13
Set by William Kerby 5-1854
11-1877 Hunter P 323 No 317 S24 L DeWitz

Corner gone, dug extensively - remains of old fence running west said to have been set from original corner. when it was standing.
- dc SW cor 24 gone coned not test that way but mean north proved to be 39.97 very near record as records run.
- used fence line west as N-S line for center S 24.

40.00 Set a gr sec post in a mound of earth & sod deposited charcoal made trench & pits planted Osage Orange. E & W

7-26-83, 1/4 Cor 23-24: Line from stone found @ E 1/4 24 over stone found at the Center 24 corner 1.59 N. of the t.n. Set here in line with the fence East and 9' East of ℄ N-S road. Dug from a point 5' West of the t.n. West for 10', South for 3', and North for 6' by 4' deep on the East side of the hole to 3½' deep on the West side. Condition only fair with some black dirt (6" on East side and harder packed on West side). Found no definite marks or diggings.

8-2-83, 1/4 Cor 23-24: Dug from East edge of hole dug 7-26-83 to 1' East of t.n. (set in line with fe E and 9' E. of ℄). Found nothing. Clay 4' deep.
