K 9-21-1972 set C/M ½" x 3' rod and stones and wood stake found. #842906 (1)

1/4 Corner 29-30 Oronoco 108-14.

5-1899 Robt Fraser P642 No 578 S30 Ch. Stevens. found boulder in center road. with evidence of stake nearby. Mr. Gerry claims stone was in place as corner. but it was larger flat stone. dug extensively and found nothing. used only for line west set nothing.

1913 D Williams & others. P217 bottom page. big survey. run line 1/4 17-18 to 1/4 31-32. 15792' or. 2632' each half mile, set no corner, did not look.

1950's JKerr dug random for corner found nothing.

-ores.

1966 J Kerr meas NE 19 to 1/4 31-32.
set 120 D (no line after SE 19) on south edge of
traveled road surface - set at 2646' from 120 D set
at 19-20-29-30 this total from NE 19 7894.7.
Rat 2632 7896.0 the 120 D comes on S edge road.
25.5' SW. to corner fence post.
-16 fence south. Sta 9210.7 or 1316 south of 120 D.
-16 fence north Sta 6581.7 or 1313 north of 120 D.

~~5-4 and 5-1972 Co surv. found 120 D set in 1966 by J Kerr~~
on S side road - meas from fence running south at Center
29 area. checking 1/16 fence running north at 1320.2 found
East road fence running north at 2600.0 ± a tenth or so
dug. 25' long entire S 1/2 road to clay found no stones.
covered area about 26 15 to 26 40 or mde road shows road low
but not too bad. no excuse for corner gone.

Card # 2. 1/4 29-30 Oronoco 10 8-14 #842906 (2)
gave corner up as hopelessly lost and records so
indefinate and uncertain one may as well set it at 2637
from cross in bridge slab at 29-30-31-32 but where to
set E-W still in doubt - 2640 from fence south at center.
brings it near off road running north.
- meas west using sta 2600 and cont meas in Center road
- found 1/16 fence north rather rough & bushy at 3958 ±
and Center road running north at Center 30 area at 5257.2
with fence south end of bush at 52674 and tie in on east
eye line of steel posts running north on west side road 52824

9-21-72 dug again with tractor entire road south
& digging & 5D 4-1972. to 6' south & south edge road
- finally found 2 small stones apparently set quite vertical
with positive wood stake below 2 stones. Much further
south and east than expected 8.3 south & 120 D.
- set 1/2" x 3' rod thru stake with stone and glass by rod
and C/M over the mess.
Meas S to trace in bridge 29-30 31-32. 2613.7 1/16 fence E & W
S. 1307.7

Meas N to fence east at 19-20 29-30 2648.3 1/16 fence N. 1321.3
to apparent corner at above sec. cor Could move S & fence E. 7.0 8'
135.1 E NE to Tap cap & 160 rail SE side old PP # 36723.
81.2 NW to Cap on SW side tele pole
26.77 SW to conc nail in NW side Cor. post up 3'
22' W to fence S. - 6' N to S edge road. 17' W to Center road north

Oronoco 1/4 corner 29-30 #842906 3

40.00 Set 1/4 Section post on mound w. 1/4 trench, pits, chained stake & Orange Orange stakes W. E. & S. W.

Tom Ferguson - April, 1986 found CIM at this corner and Tied it in to MN/DoT Horz. Control Station "Prokasky" as shown here.
