at "L" found old stake on south side of road.
put boulder stone in place of stake or stake on
top of bottom of stake.
line "A" to "L" shows 8 lks. (5.28' (52 74.72' total.
Note J Kerr meas from C/M NE 32 South (8-1964 1317.3
Corner now .3' south true stone corner so meas to 1/16 set in what
believed stake replacement 1317.0., no recent final meas.

C.H.D. Book # 310 page 1 found 7/8" pipe over Concrete monument - from
6-1-77 Dug down at nail in blacktop. Found nail over 1961
a small iron over a concrete Co. H.D. monument over a long bolt
(removed all). Dug down and found a 10" x 12" x 18" boulder

7' deep over a stake. Also a stake (2x4 or 2x2) on the East side of the stone. ~~Set the long bolt~~ Accepted the stake hole on the corner and reset the boulder over it. Set the long bolt on the West side of the stone and a short pipe on the So. side and a spike on the East side. Set the concrete County monument over the boulder. Set a ½" x 2' rod at the surface. Final corner 1.0W and .2 So of the C.H.D. monument (removed). Corner ½' So of ℄ and in line with fence So.
