X Set C I M. over orig Gov'T Stake. 5-19-1975
11-25-1981 Set C.I.M.

#850207

Section Corner N. 2-3 New Haven Twp. 108-15

Orig Gov'T Notes: John Cushing Dept. Surv. June 1854

N. 80.32 ch. from 2-3-10-11 Set Post for Corner raised mound with Trench as per instructions & Charred Stake Intersect Standard Parallel No. 3 11.14 ch. East of ¼ post on South line Sec. 35-109-15

May 19, 1975 Co. Surv. - found orig. Gov'T wood stake - ±3' deep in ℄ Rd (road filled with Course line rock - hard digging) set 1½" x 30" pipe over stake and set C.I.M. over Pipe. Used this Stake and Boulder found at S. 34-35-109-15 To push line West To set S. ¼ 34 a ½" rod set at Gov'T dist. of 11.14 ch. = 735.24'

also found old fence post (4.8' So. & 2.7' W. of this Gov'T Stake which we almost used as this Corner until finding Gov'T Stake.)

Corner lies in ℄ E-W Road & 42' East of ~~fenceline~~ gone 1980 Sarcoxie Hwy

R.P.'s C.S.D W. side tele. pole #1410 NW 34.8'
C.S.D. S. side tele. pole ENE 104.7' } 1980 Gone telephone went underground

12-30-1980 N 2-3: Found CIM but telephone pole RP's now gone and fence South across T. H. 52 also gone.

11-25-1981 Removed C.I.M. and pipe beneath set in 1975 and reset the C.I.M. over a 1/2" x 19" rerod. 1.41' South and .02' East to be on the line from So. Sec. Cor. 34-35 to the So. 1/4 34 as set this survey and still at Gov't Meas. from the South 1/4 Cor. 34 (and 5'ly of Stake found). The Mon. is in the Center of the E-W Road. Nothing else to tie to.
