(N 84½° W 32 lks.)
1/16 East 20.05 chs. M&L to 1/4 post (B.T.'s to 1/16 (S 54° E 56½ lks.)
(S 61½° W 29 lks.)

9-14-1981 Center 15: Dug from a point 1½' North and 1' East of the t.n. set on the NW side of the C.p. to fences North and West, North for 3' and East for 3'. Found old post hole 1.3 East and 1.3 North of the t.n. and when digging out the post we found what seemed to be the tip of the old stake (about 6") in the hole with the post. We found a 6" x 8" x 12" boulder about 1' NE'ly of the post hole. It appeared to have been disturbed. It was not standing up and we could not find a mark where it stood. It was just under the ground surface.
