S 1/4 Cor 32, T 109 N, R 14 W (File with N 4-5, Ormsbee)

4-19-83, S 1/4 32: Chained appx 640.20 (600+ tie) from N 4-5 (Kerr shaft replaced with CIC/P^2). Found 1" shaft (up 6") standing 4' North of E-W fence at the appx measure.

6-6&7-1983, S 1/4 Cor 32: Dug from 1" iron Found here 4-19-83 for 3' North, 3' East, 3' West and 5 1/2 South (to 1 1/2' South of E-W fence) by 2' deep to clay. Iron not set over anything. Could not even find an old post mark though several old old posts are lying on the ground beside present fence. Set iron back. Bagging to cover Dist measure from N 4-5 and to look under E-W fence

line. Measure from 1" iron to N4-5 = 640.22

RP: Pop Cap on W. side fence post South 3.89
