Grantors, of Olmsted County, *Minnesota, for and in consideration of*

One and no/100----------*Dollars* ($1.00) *receipt of which is hereby acknowledged,*

hereby convey and warrant to the County of Olmsted grantee, for highway purposes, together with the unrestricted right to improve the same, free and clear of all incumbrances, the following described real estate in the County of Olmsted in the State of Minnesota:

And the said grantors, for themselves, their heirs, executors and assigns, do covenant never to cut, damage, destroy or remove any tree or shrub or other natural growth upon the hereinbefore described premises for the continuance of this easement, and does hereby grant and convey to the County of Olmsted all grasses, shrubs, trees and natural growth now existing on said lands or that may be hereafter planted or grown hereon.

And the said grantors, for themselves, their heirs, executors and assigns do hereby release the County of Olmsted its successors and assigns, from all claims for any and all damages resulting to the lands through and across which the parcel of land hereby conveyed is located by reason of the location, grading, construction, maintenance, and use of a public highway over and upon and the removal of materials from the premises hereby conveyed and from the uses incident thereto, and the County of Olmsted shall have the right to use and remove all earth and other materials lying within the parcel of land hereby conveyed and the right to construct and maintain, upon the lands adjoining the parcel hereby conveyed, such portable snow fences during such months as weather conditions make necessary.

And the said grantors, for themselves, their heirs, executors and assigns, do further covenant never to construct, erect, or maintain or allow or suffer any other person to construct, erect or maintain any sign or bill board or other advertising device upon the lands adjoining the parcel hereby conveyed, closer than one hundred (100) feet from the said premises unless a permit therefor in writing shall have first been obtained from the County of Olmsted

Dated this 8th *day of* October, *19*40.

In presence of:

Witness W. J. Murphy — Fred J. Postier

Witness William Costley — x Rose K. Postier

A strip of land lying over and across the East one-half ($E\frac{1}{2}$) of the Northeast quarter ($NE\frac{1}{4}$) of Section twenty-four (Sec. 24) Township one hundred seven North, Range fifteen West (T107N-R15W).

Said strip being all that part of the above described tract which lies within a distance of thirty-three (33.0) feet on each side of the following described centerline:

Commencing at a point on the North line of the above described tract which point is distant thirty-seven (37.0) feet West of the Northeast corner thereof; thence deflect to the right on a seven (7) degree curve, central angle seventy-one degrees fifty-eight minutes (71°-58') for a distance of one hundred forty and five-tenths (140.5) feet; thence deflect to the right on a transition curve whose coordinates are, Xc two hundred forty-nine and four-tenths (249.4) feet and Yc twelve and seven-tenths (12.7) feet for a distance of two hundred fifty (250.0) feet to a point on the East line of the above described tract which point is distant three hundred eighty-eight (388.0) feet South of the Northeast corner thereof and there terminating.

Excluding therefrom right of way of existing highway.

Comprising twelve hundredths (0.12) acres more or less.

Together with the right to construct and maintain so long as County Aid Road U shall be maintained in its present location and of its present width a backslope or embankment of approximately three to one (3 to 1) slope on both sides of the above described strip. The use however, by the county of all land which lies more than thirty-three (33.0) feet from said centerline shall be restricted to and for the purpose herein described and the county further agrees to furnish whatever labor is required to move and reset fences made necessary by said work.

The transition curve described above is a curve in which the degree of curve (arc definition) varies as the distance from the beginning to the end of the transition. Xc is the distance along the sub-tangent from the beginning to the end of the transition and Yc is the offset distance from the sub-tangent to the end of the transition.
